

ITE AD IOSEPH

St. Joseph

PATRON OF THE UNIVERSAL CHURCH

pray for us!

To Saint Joseph

DURING THE TIME OF PANDEMIC

O Most Merciful Patriarch Saint Joseph,

in the midst of serious troubles and pains in which we find ourselves, we all cast ourselves at your feet, and we implore your most effective Protection.

O our sweet Protector, we implore mercy and compassion from you! The Most High God afflicts us for a reason - because we are sinners.

But you are the refuge of sinners and the salvation of all. Please do not reject us! Cover us with your mantle of mercy.

O Glorious and gentle Saint Joseph, in You we put our every hope. If you protect us, we will be saved; if you say a kind word to the blessed Jesus on our behalf, we will be forgiven and set free immediately.

O Glorious Saint, we are all at your feet; save us all; we all thank you, praise you, and bless you.

Yes, we trust in you, we hope in you, we rest in you, we abandon ourselves to you.

Amen.
